§ 61.17 Group Flood Insurance Policy.

(a) A Group Flood Insurance Policy (GFIP) is a policy covering all individuals named by a State as recipients under § 411 of the Stafford Act (42 U.S.C. 5178) of an Individual and Family Grant (IFG) program award for flood damage as a result of a Presidential major disaster declaration, and, as a one-time, pilot project, to recipients of the State of Alaska’s own fully funded disaster assistance program for individuals and families suffering damage from flooding in September and October 1995. Alaska’s disaster assistance program is comparable to the IFG program in benefits and eligibility requirements, including income levels. The State of Alaska has also agreed to provide information to the National Flood Insurance Program (NFIP) in a data format compatible with NFIP requirements. The premium for the GFIP, initially, is a flat fee of \$200 per policyholder. Thereafter, the premium

may be adjusted to reflect NFIP loss experience and any adjustment of benefits under the IFG program. The amount of coverage shall be equivalent to the maximum grant amount established under § 411. The term of the GFIP shall be for 36 months and will begin, for implementation with the IFG program, 60 days from the date of the disaster declaration. For FEMA’s pilot project with the State of Alaska, the term of the three-year policy will begin on May 1, 1996. On and after the inception date of the GFIP, coverage for IFG recipients or for recipients of the one time pilot project of the GFIP for the State of Alaska’s own comparable fully funded, disaster assistance program, will begin on the 30th day after the NFIP receives the records of GFIP insureds and their premium payments from the State. A Certificate of Flood Insurance shall be sent to each IFG recipient, and, for the one-time pilot project in Alaska, to each individual or family receiving a grant from Alaska’s own fully funded disaster assistance program.

(b) The GFIP is the Standard Flood Insurance Policy Dwelling Form (a copy of which is included in Appendix A(1) of this part), except that:

(1) The GFIP provides coverage for losses caused by land subsidence, sewer backup, or seepage of water without regard to the requirement in paragraph B.3. of Article 3 that the structure be insured to 80 percent of its replacement cost or the maximum amount of insurance available under the NFIP.

(2) Article 7, Deductibles, does not apply to the GFIP. Instead, a special deductible of \$200 (applicable separately to any building loss and any contents loss) applies to insured flood-damage losses sustained by the insured property in the course of any subsequent flooding event during the term of the GFIP. The separate deductible applicable to Article 3 B.3 does not apply.

(3) Article 9 E., Cancellation of Policy By You, does not apply to the GFIP.

(4) Article 9 G., Policy Renewal, does not apply to the GFIP.

(c) A notice will be sent to the GFIP certificate holders approximately 60 days before the end of the 3-year term
